

REMARKS

Initially, Applicant notes that claim 1 has been amended for clarification, and not in response to any rejection, and no estoppel should extend from these amendments. No new matter has been added by the amendments. Claim 6 has been canceled without prejudice or disclaimer of the subject matter thereof.

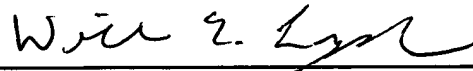

In the above-noted restriction requirement, the Examiner has characterized the inventions of Group I (claims 1-5, 7-8) as an indoor decorative paper, classified in class 428, subclass 195.1, and of Group II (claim 6) as an indoor decoration method, classified in class 156, subclass 76. With the cancellation of claim 6, the restriction requirement is believed to be rendered moot.

Claims 1-5, 7 and 8 remain pending, and an action on the merits is respectfully requested.
